

Mount Pleasant Natural Resource Centre Inc

VOLUNTEER POSITION AVAILABLE

Brawn Squad (Multiple Positions)

Time commitment varies from a few hours to a few days a year depending on your availability

This is one for the strong people. At various times throughout the year we need to move lots of furniture or materials e.g. setting up for our Sustainable School Days. We need some strong people who we can call on every now and again to move some heavy stuff. How it works: we call or email with a date & time, if you can help out – great; if you cant – we call on the next Brawn Squad volunteer. This is a very important job that helps maintain the health of some of our more senior volunteers but doesn't need to take up much of your time.
