

Mount Pleasant Natural Resource Centre Inc

VOLUNTEER POSITION AVAILABLE

Building Project Officer

1 day / 1 – 2 months

The MPNRC is hosting a 2009 Doorways 2 Construction project in which involves students from Birdwood High School gaining their Certificate 1 in Building and Construction using the Mt Pleasant NRC site. You will be responsible for assisting the MPNRC Coordinator source and collect building materials (including second hand and donated items) that can be used by the students to complete their work retrofitting an existing shed for new community facilities. This position may involve driving to collect items (reimbursement available), as well as lifting of heavy items. You will also work with the Community Environment Centre Project Officer to develop anticipated material listings for the CEC project and assist with the material sourcing. Current Drivers Licence and suitable vehicle (Ute or trailer) essential.
