

Mount Pleasant Natural Resource Centre Inc

VOLUNTEER POSITION AVAILABLE

Garden Care Officer

minimum 1 year at 1 – 4 days / month

This position is responsible for helping plan and organise new garden developments at the Centre as well as assisting the Garden Carers to complete their work. You will assist the Landscape and Garden Design Officer to design new garden areas as part of our Community Environment Centre Project, and be responsible for organising working bees throughout the year to complete planned garden work, and review current garden areas for required works. Good communication skills essential.
