VOLUNTEER POSITION AVAILABLE

Landscape and Garden Design Officer

minimum 1 year at 1 – 4 days / month

This position is responsible for designing new garden and associated landscape features as part of our Community Environment Centre Project. You will work closely with the Garden Care Coordinator who will assist in the design of new garden areas. Knowledge of native plants and water wise gardening is an advantage, however the position is also open to those who want to learn and expand their knowledge in this area. Creativity is a must!
